Retrospect 2006

Dear Students and Friends,

It has been our utmost pleasure in producing this one-of-a-kind, tradtion-breaking, yearbook. We, the editors, have worked diligently since last year in trying to make this year's yearbook the best one thus far. We have attended workshops and training sessions in order to provide you with a cutting-edge book.

A yearbook is not merely a picture book, but a book that captures and highlights the best years of your life. It is the only place you can have a record of the events that happened in your high school career. What other place can you look back and see what you wore ten years ago, or what was "in" and what was "out"?

We want to thank you for all the memories that helped make this book possible. Good luck in the future, never forget your past.

-The Editors
Christina Kanelopoulos, Julie Jackson,
Kevin Dempsey, Philip Mainini

Dear Students and Friends of the Whitman-Hanson Community,

I have immensely enjoyed creating the 2006 Retrospect Yearbook, Redefined, for you. After a working to rebuild the yearbook club and class through the 2004-2005 school year, the yearbook staff was ready to set higher goals and bring you the best yearbook possible. Through hard work, dedication, and some understanding on your part, we have made changes to the yearbook in order to bring you a full-color publication that offers more coverage for the students of all grades.

As with any change, there is always resistance in moving away from tradition in favor of uncharted waters. With the physical changes in our school this past year, we have undergone a transformation; we are seeking to be the best, and in doing so, we often have to make difficult choices in the best interest of our goals. Please understand that our changes and methods have only evolved and grown with all of our best interests at heart.

As you move forward into the world and away from the comfort of W-H, you will be challenged to "REDEFINE" yourself continually. Remember what you learned here, whether it be through a class, an activity, or any experience from your years at the high school. Choose to display integrity, dedication and character, and you will prevail in your endeavors.

Remember this: a challenge is only as difficult as you make it, through attitude and action; change is inevitible- it is your response to change that will define you.

Good luck in all you do. -Mrs. Lisa Shea, Yearbook Adviser

Redefining Whitman-Hanson

After many years, it was time to begin a new era at Whitman-Hanson Regional High School, with the building of a new facility. The construction started in August 2003 on a new 49 million dollar high school.

There were many factors that led to the decision to build a new high school. The old W-H was literally rotting and falling apart, the 'portables' had become permanent, the technology was out-of-date, and the sports fields needed to be renovated.

Most importantly, in today's busy, high-tech world, the old school was not academically able to ready students for the future.

Besides the major problems, there were minor issues that needed to be addressed in the building of a new high school. For example, the science classrooms didn't have enough sinks for lab clean-up, it was difficult to get a television to watch a play in English class, and there were not enough calculators available in math classes. Little details like this are important in the building of a new facility.

Technologial advances are what make the two schools substantially different. Smart Boards, for

example, not make it possible for a teacher to incorporate media, computer services, visual and audio aspects to everyday learning. The eight computer labs and teacher conference/planning rooms are also equipped with Smart Boards.

The most notable advancement for the new facility is the modern architecture. The designers wanted to make the school contemporary, so that it will not look out of place in the future, but will present an old twist. For example, in the front of the school, the two pillars represent the old shoe factory in Whitman. The entrance of the building also has wooden beams representative of the wood donated to help build *Old Iron Sides*. The many cranberry bogs of Hanson became the inspiration for the school's cranberry color scheme.

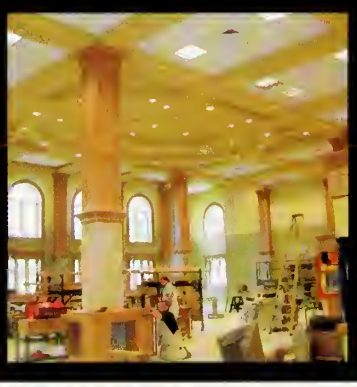
The history, architecture and planning that went into this building has surely produced a building that surpasses the expectations of students and staff, alike.

Coming along in 2004

Making dreams come true

In life, when one door closes, another opens. The old building housed three years of memories. It had "character;" however, the time has come to redefine the school and ourselves, as we walk thorugh a new door in our journey.

Finishing up in 2005



Out with the old...

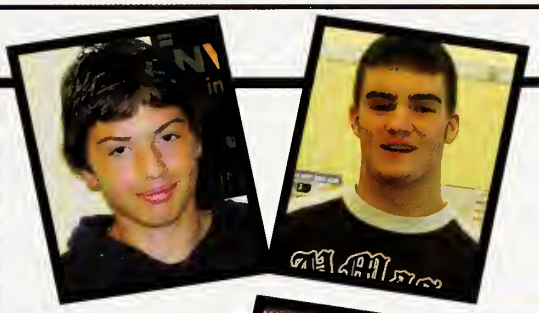
What is the best aspect of the new high school?

Derek Katavarias, (freshman)
"All the new technology in the building- it makes it easier to learn, when teachers teach by showing."

T.J. White, (sophomore)
"The gym- it's the best in the state."

Lauren Ahola, (junior)
"The astroturf for soccer and football. It's nice to play games on it."

Brian Squires, (senior)
"The gym because you don't have to run a mile in the snow anymore."



...and in with the new!

Ac•a•dem•ics

n. - scholarly studies; formal, organized education based on focused areas of learning

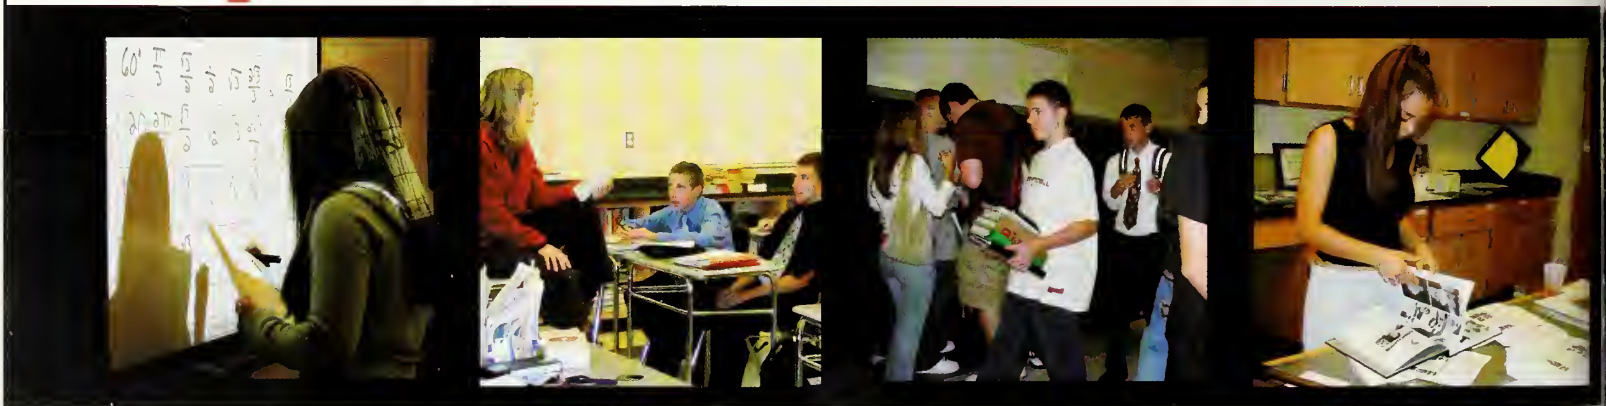
Who is your favorite teacher?

Sam Palmer, (freshman)
"I would say Mrs. Hill because she is funny and makes class fun, not just all work."

Jill Boyd, (sophomore)
"Mr. MacCallum is my favorite teacher because he is the nicest and most fun out of all the ones I've had."

Michael Hickey, (junior)
"Definetly Mr. Moriarty because he's the Man!"

Ashley Weckbecker, (senior)
"Mr. Stifler because he is the only liberal history teacher in the building."



Faculty

n. – body of teachers and administrators at a school or teaching facility

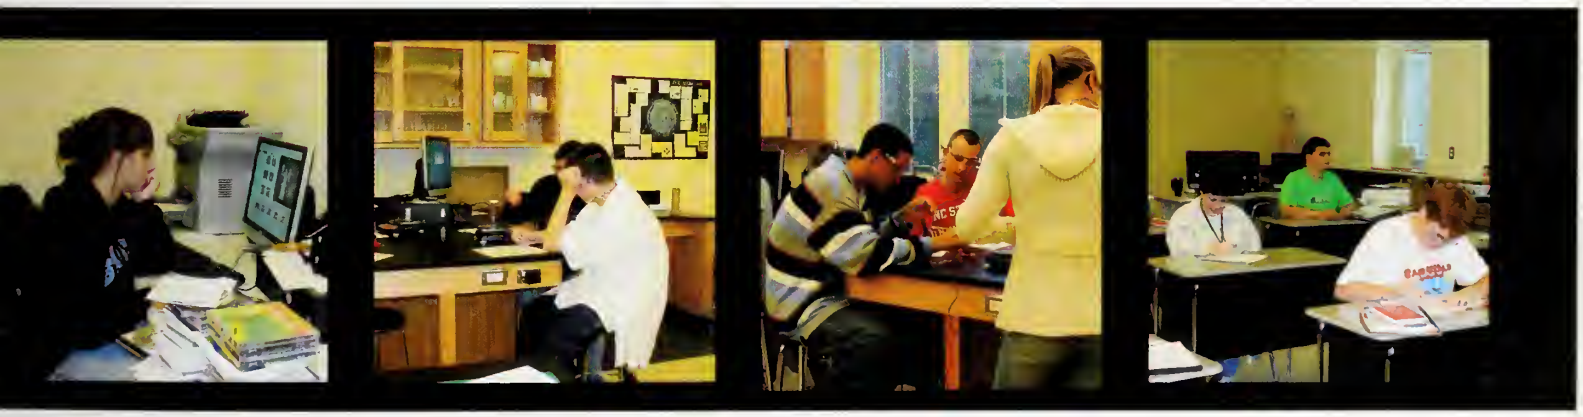
What makes a good teacher?

Nicole Philbrook, (freshman)
"A good teacher must be nice."

Ali Pimentel, (sophomore)
"They must treat everyone equally."

Carolyn Gauvreau, (junior)
"Someone who makes a class fun, but also helps you learn."

Ryan Kelly, (senior)
"A good teacher should have good qualities like Mr. Dempsey."



English Department

Students become prepared for an ever-changing society through the development of a strong sel Along with reading, writing, and speaking well, we also compel students to examine their reactions t literature and its themes. By doing so, they develop a sense of conviction, which can be applied t decision-making in the real world. While everyone will be challenged to redefine his or her attitude and actions over time, each student from Whitman-Hanson is able to make choices that reflect persona values and strengths, standards that were both nurtured and challenged within the classroom. It is ou hope that students will not compromise those values, but embrace them no matter what the future holds

English Department Faculty

Joanne Regan- Curriculum Coordinator, Robert Rodgers, Danielle Diogenes, Amy Hill, Lisa Shea-Yearbook Advisor, Jana Iampietro, Brian Dempsey, Ellen Galambos, Stacy McDougall, Jen Grunin, Scott Ceurvels, Susan Roan (Not Pictured)

Social Studies Department

The Social Studies department prepares students for an ever-changing world through its classes. We allow students to know the past so they are much better equipped to make sound judgements about thier futures and analyze the world around them in ways that will be beneficial. They are about to make sense of the world that is always changing, just like how the students are always changing.

Social Studies Faculty

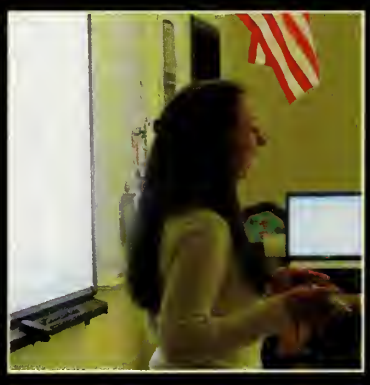
Kevin Lynn, Steve Botelho, Lauren Frank, Jeff Andrews, Megan Gaudette,
Karen Lozzi- Curriculum Coordinator,
Kevin kavka, John Stifler, Robert Davidson, Christopher Googins, Julia Flaherty

Math Department

We help teach students to prepare for an ever-changing world by teaching them tools to investigate the world around them and focus on problem solving, which is something that should help every student as the world changes. Students can get a chance to tackle problems using different methods and perseverance until they achieve a solution.

Math Department Faculty

Leanna Russell - Curriculum Coordinator, Sean Clifford, Barbara Connolly, Thomas Fondoulis, Maria Gryzb, Jean Joyce, Warren MacCallum, Bonnie MacDonald, Deborah McCarthy, Diane Nichol, marianne Ortega, Phyllis Warren



Science Department

We help students to become successful in an ever-changing world by teaching them tools to be problem solvers. The students learn to become more independent for out in the real world.

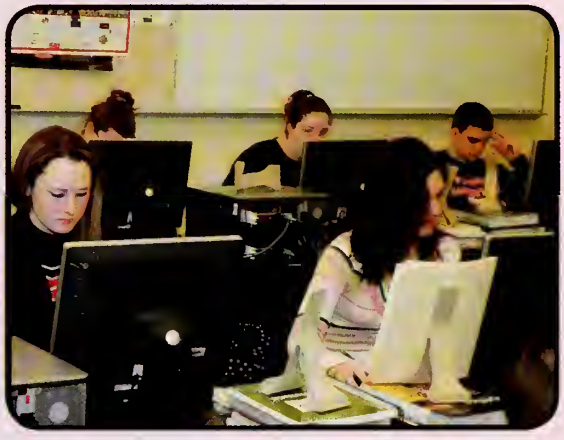
Science Faculty

Mark Stephansky- Curriculum Coordinator, Laurie Bianchi, Theresa Coyle, Tonya Johnson, Courtney Jones, Karen Geagan, Dan Moriarty, Colleen Patterson, John Rozen, William Thrasher, Brian Dukeman

Business/Fine & Practical Arts

Business/Fine & Practical Arts Faculty
Julie Giglia, Elena Finiello, Chris Maher, Jean Carson,
Thomas Oliviere, Georgia Clancy, Donald Legge,
Sue Moss- Department, Chair, Mark Ryan,
Carol O'Connor, Lydia Nelson, Nina Consolini

In the business department, we try to teach students the most up-to-date business techniques and the latest technology. We also instill good business ethics that will carry students through changing times. Students receive a foundation upon which they will be able to build and develop as the world of technology changes and develops around us.



Foreign Language Department

Foreign Language Faculty
Kristen McAuliffe, Cara Cronin, Cheryl Daily- Curriculum Coordinator,
Diane Monaghan, Linda Downer, Cheryl Iacovelli (Not Pictured)

To help students prepare for a diverse world, we discuss different cultures and how everyone else lives differently than we do. We discuss how culture shapes their values and qualities and try to help them to understand these better.

Health/Physical Education

Health/Physical Education Faculty
Gerald LaPierre, James MacDonald,
Heidi Martin, James Barrington, Lori Medeiros

We try to prepare our students to be able to maintain a healthy lifestyle, regardless of age or disability. With health, nutrition, and diet being taught, we can teach students how to remain active throughout thier entire lives.

Director of Athletics
James Daley

Special Education

To prepare students to be successful in an ever-changing world, we try to get them to understand all necessary information, and provide them with experiences where they have to make choices. We also try to nurture them, so they have all the information to make appropriate choices.

Special Education Faculty and Staff, Adjustment/School Psychology & Counselors

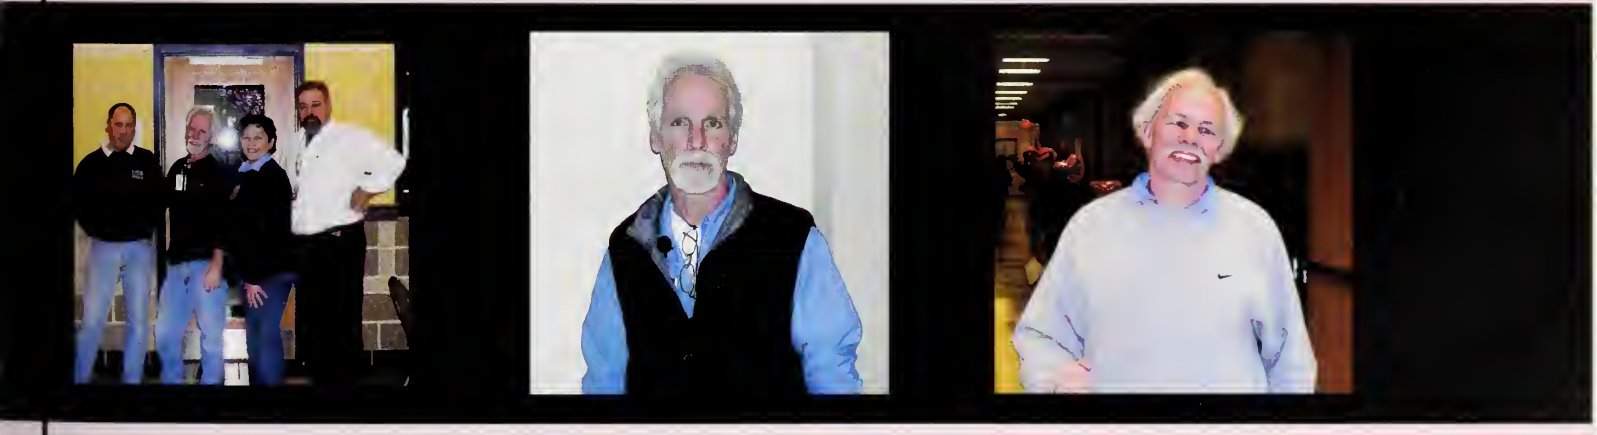
Custodial



n. - an organization; a group of people that meet regularly to achieve a common goal.

Club

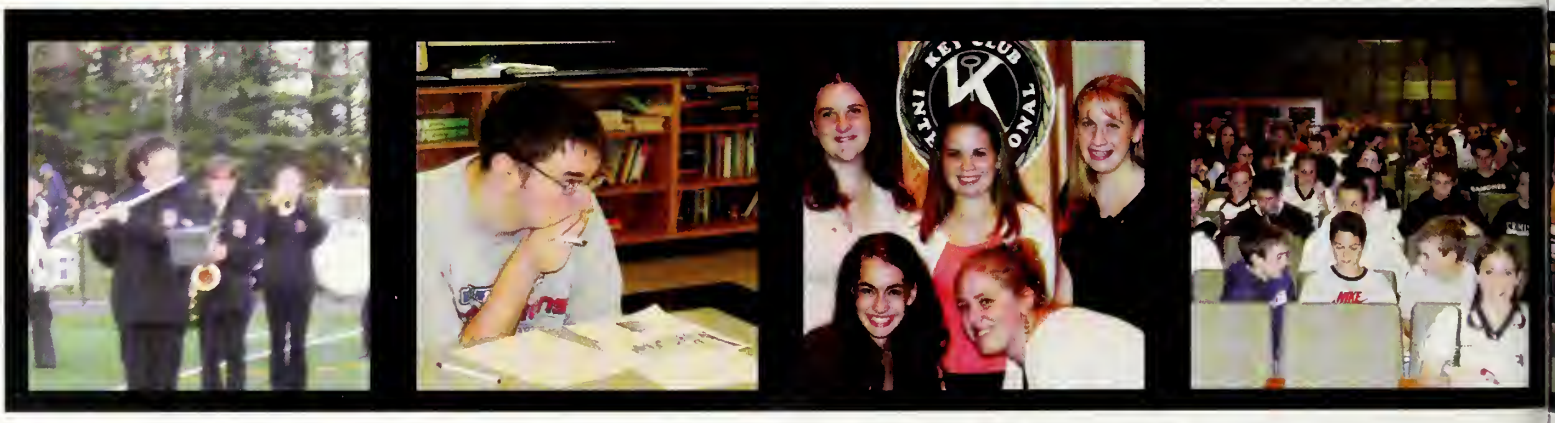
What have you gained from being a member of your club?

Sammi Salverio, (freshmen)
"Show Choir has been a great experience. I love performing on stage and competing against other show choirs."

Hillary Keefe, (sophomore)
"In Key Club I've learned alot about the needs of others and how important only small amounts of time mean so much to them."

Zack Benton, (junior)
"Through the National Honor Society I have learned the power of helping others. NHS is a great club that participates in fundraisers to help the community."

Jill Fagan, (senior)
"As a member of SADD I have gained the respect for those who choose not to drive drunk, or do drugs."



Par•ti•ci•pate

v. – to take part or join in a group's activities

Why is participation important outside of the classroom?

Jake Finnegan, (freshmen)
"So you can stay active and stay far away from drugs."

TJ Lazarski, (sophomore)
"Staying active outside of school helps to keep you out of trouble."

Camilla Pina, (junior)
"It is important to participate in other things besides in class because you need to learn responsibility and to stay in shape."

Matthew Lavangie, (senior)
"Participating in other activities does keep you out of trouble, but it also helps you when applying for college and your future."

Dressing up has always been a big tradition at Whitman-Hanson. From freshmen to teachers, the whole school participates, even the cafeteria workers. On Monday, October 31, students arrived at school in costumes, ranging from babies and Barbies to other more extravagant characters.

Class History

Freshman Year

On the first day of school in the fall of '02,
We freshmen arrived, all shiny and new.
From Whitman and Hanson we all did come,
Whitman "The Ghetto" and Hanson "East Bum."

Though the rally was cancelled we still had pink pride,
But green proved to be a tough wave to ride.
With Steve, Kerry, Erin, and Kate in the lead,
The class of '06 knew how to succeed.

Homecoming was great for those who were there,
But no one had guessed it would be the last year.
At the lock-in, we stayed in the gym all night,
The hypno-show was incredibly tight.

We all caught "the whoop" at the end of the fall,
And the sounds of the cough filled every hall.
We won penny wars and shocked everyone,
It certainly made the March rally more fun.

Mr. Alperen was packing his office to leave,
While we studied for finals, prepared to achieve.
If we've learned anything from our departed goat-kisser,
It's to kiss the goat twice, in case the first time you miss 'er.

When we stepped off the bus in the late June sun,
Our track had been set, our freshman year done.

Sophomore Year

And so we returned for our year as wise fools,
We don't need directions and we know there's no pool.
With the new administration, Pam Gould and D. Floeck,
The attendance policy was a pain in the neck.

Homeroom was after first, not so early or bright,
That year we showed up all decked out in white.
The officers remained Steve, Erin, Kerry, and Kate,
While in California, Arnold started to "Governate."

When Ms. Gould made the announcement "we're in lockdown mode,"
The corner quickly became our humble abode.
We couldn't leave the room until we got the OK,
Only to wait outside for the rest of the day.

We "Cowboy-ed up" but the Sox still fell,
Everyone but Simon thought Hung sung well.
Our Milkshake brought all the boys to the yard,
But passing MCAS to graduate wasn't that hard.

Not quite upperclassmen we finished the yurr,
Goodbye grade ten, we're halfway thurr.

Junior Year

Finally as upperclassmen, school did begin,
Hoping the year would end before the ceilings caved in.
Our Otis cookies were taken away with no remorse,
By the cruel rulers of the "Fat Task Force."

Our class officers were changed to Kate, Lauren, Dave, and Mike,
When David's speech showed us dorks are what we like.
Though powderpuff was lost, we still had lots of fun,
The next day proved better when the Thanksgiving game was won.

For the second time in high school '06 won penny wars,
While up and down the halls we painted locker doors.
The Patriots were a dynasty; the Red Sox broke the curse,
And with our "snow week" vacation, the winter proved much worse.

They told us we'd have a trimester - oh wait, just kidding!
Next thing we knew, at March madness Thrasher was stripping!
Our first prom came and we danced the night away,
Only to wake up for SATs the very next day.

The seniors left and we were to be feared,
Though three grades remained the classrooms were cleared.
As the oldest in school we could park on the lawn,
Until the final bell sounded, and the old school was gone.

Hello senior year, one to go and three down,
Soon '06 grad parties will take over the town.

SENIOR POEM

Finally seniors, we were new school bound,
With seven period days, there was no time to be found.
Up the long driveway and over the bump,
Past the remains of that knocked-down old dump.

Beautiful library, massive gym,
Self-flushing toilets, be prepared for a swim.
If you're thirsty, too bad...our school must stay clean,
Unless you're a teacher, faculty, or dean!

Powderpuff cancelled, but we knew we'd still win.
Boys ripped off their shirts and showed us some skin.
Juniors talking trash, you know they be trippin',
Karate kid jumpin', runnin', and flippin'.
But in the end, seniors had more nerve,
Sorry Juniors, but you got served!

Chemical spill put the school in a tizzy.
Fumes filled the halls and made us all dizzy.
New Year's parties, sports beware,
MIAA rules gave us a scare.

With prom on the horizon, it's time to get ready,
Seniors, find a date and try to go steady!
After that, graduation, and we're finally done,
Time to join the world and have us some fun.

Everyone told us, but we didn't believe,
It went by so fast, but we're ready to leave.
Thousands of memories, countless good times,
Class of '06, forever in our minds.

Varsity Football Pushes Through Tough Season

The Panthers had a difficult season finishing with a record of 3-7. They started the season off by losing an intense game with Plymouth South, 7-0. They regrouped after the loss and came out strong in their next game against Dennis-Yarmouth. The Panthers won that game 13-6. Then the Panthers went on a three game skid, losing to a tough Taunton team 49-7, Quincy 14-10, and another tough team Plymouth North 35-0. After losing three games in a row the Panthers showed their senior leadership by having an awesome game against North Quincy 25-12. Even though North Quincy hadn't won a game all year it was a key win for the Panthers. The Panthers then traveled to Sandwich where they were beaten 26-7. The following game against Falmouth was full of intensity as it came down to the last play of the game. Senior captain Marc Doyle was attempting a game-winning field goal that was blocked by Falmouth; and that gave Falmouth the win 13-12. Whitman-Hanson then traveled to Nauset where they were victorious in a 27-13 win. The Panthers finished the regular season with a dismal 3-6 record; but they continued to work hard and wanted to come out on top at the Thanksgiving Day game against their rival, Abington. The final score was 15-0 in favor of the Abington Mohawks, but the game was a lot closer than the final score. Whitman-Hanson played an exceptional game until the final minutes of the fourth quarter. It was actually 8-0 with roughly two minutes left in the game when Abington forced a Whitman-Hanson turnover and then ran for as touchdown to make it 14-0 followed by an extra point. Even with a disappointing record of 3-7 the Panthers made the best of their season and enjoyed themselves, "It was fun playing varsity football for Whitman-Hanson, but we needed a little more effort in our games. I will miss high school a lot because of football and my team," said senior Nate Montagano.

Varsity boys' basketball bounce into top of league standings

The 2005-2006 Whitman-Hanson varsity boys basketball team had a successful season. Led by senior co-captains Andrew Macdonald and Sean Meagher; the panthers main goal was to win an ACL championship and also for the second consecutive year make the state tournament. The panthers were a young team consisting of nine juniors, one sophomore, and three seniors.

At the beginning of the season the Panthers were inexperienced, but as the year progressed they grew as individuals and also as a team.

The Panthers were consistently winning at home and struggled on the road. They started off the season with a winning 3-0 record and then traveled to Key West for the annual Christmas vacation trip. Down in Florida the panthers dropped to a record of 4-2 but the trip wasn't as much about basketball as it was for team unity. The Panthers lost to powerhouses Quincy, North Quincy, and Falmouth. The panthers are looking for redemption as both Quincy teams come to Whitman-Hanson to face off. Their wins have come against Plymouth South, Plymouth North, Dennis-Yarmouth, Nauset, Middleborro, and Sandwich. The Panthers are only two wins away from clinching a seat in the State Tournament where they look to have great success.

Andrew MacDonald

"This year's team is a team that will get better everyday, so if we keep on progressing as a team I really think we will win the ACL Championship."

Panther's bench, Mike Ford directs the offense, Andrew MacDonald defends the inbounder, Ben Ford contains his man, Sean Meagher battles for a rebound, Ben Ford threads the needle, Dave O'Brien gets the pass off just in time, Sean Meagher and Kyle Yeadon fight for possession, and Sean Meagher with the put back.

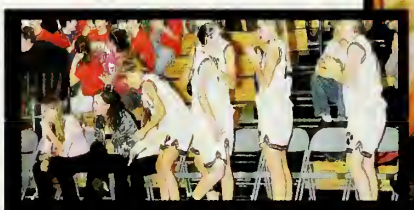
Varsity girls' basketball has a new all-time leading scorer

This years girl's basketball team was looking forward to a promising year with a strong nine seniors and an additional five players, including three juniors and two freshmen. After suffering two devestating losses in the first two games, the girls knew they needed to step it up by working harder at practice. The hard work paid off when the team pulled out its first win against New Bedford. With their confidence back, the girls headed to Hingham for the Christmas Tournament and became tournament champions, beating Sandwich and Weymouth. The girls went on to defeat their next three league opponents giving themselves a good spot for the ACL title. With an upsetting loss against Duxbury, the girls sprang back to blow out Sandwich, Nauset, Falmouth, and then DY, giving them an even bigger lead for the ACL title for the third year in a row. Coach Daley is impressed with how the girls have performed thus far and expects them to continue on with great success. The girls have already secured their spot in the state tournament, where they hope to make a name for themselves.

Jaclyn Cina

"I enjoy being part of a winning team, but more importantly, a team that is friendly and close to each other."



Panther's offense looking for rebounds, Coach Daley barking at his players, Panther's Bench, The team poses for a quick picture, Kristie Mewis and Kate Nicholson fights for the rebound, The girls hustle back on defense, Kate Nicholson on the foul line, Kristie Mewis dribbles upcourt, and Emily Adams knocks down the jumper.

Boys' winter track & field, a record breaking season

The 2006 edition of the Boys' Indoor Track Team is a great one! The team is very well balanced with some great track athletes. Jeff Moreau and Eric Ashe are breaking records with abandon. They both are focused on the State Championship. Caleb Fall, Pat Moran, Brady Morgan, Peter & Kevin Gilmore are dominating the distance events. Kevin Dempsey and Don Rice have been strong in the middle distance events. Chris Robertson and Jon Gannon have provided great leadership and talent in the sprints and long jump. Sophomore Duncan Watt is the top sophomore in the league in the high jump.

Matt Newton, Chad Mota, Jack Hart and Tyler Barron are dominating the shot put. And frosh Pat Taft and Tony Lambiase may be the track stars of the future.

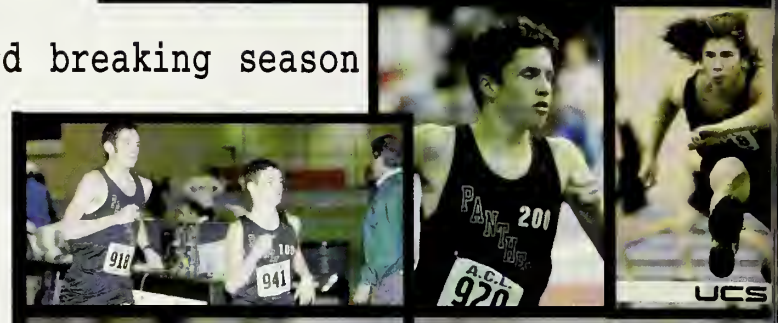
The team currently owns 9 league best performances out of 12 events for the Atlantic Coast League.

They have already clinched the ACL Championship - the 12th title in the last 14 years! We are focusing now on the Class B Relays, the ACL Conference Meet and the Class Championship.

These guys are terrific athletes. They are ready to take on all levels of competition.

Caleb Fall

"Track is all about hard work, determination, and speed. It was these things that helped our team become one of the best ever in W-H history."



Ryan Farrell pushes on through the mile, Chris Sears runs hard, Pat Moran and Billy Taft battle in the 1,000, Brady Morgan pushes to the finish, Duncan Watt takes a break from the high jump to run some hurdles, Chuck Harkins flies through the 300, Don Rice looks to win the 600, Pat Moran cruises in the 4x400, Jon Green finishes up his 200, and Jon Hunter sprints for the finish.

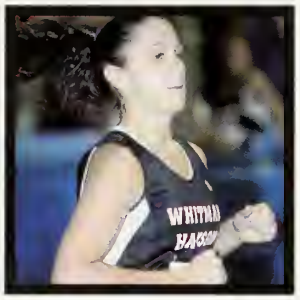
Girls' Winter Track Wins ACL North

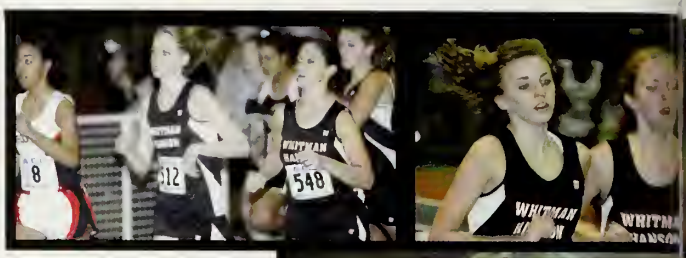
The girls winter track team ended up having a very successful dual-meet season. They won the North Atlantic Coast League, a goal they were really pushing for. Led by senior captains Jeannie Channell, Jen Mooney, and Lauren Spivack, the girls have really imrpoved overall to become a solid team in all areas. Both Jeannie Channell and sophomore Molly Lavery were undefeated in their respective events during league match-ups. Unfortunately, their string of first place finishes came to an end when faced up against ACL South powerhouse Dennis-Yarmouth.

The team knew this was their biggest meet of the season and trained hard for it all year. The girls came into the meet ready to compete at their best. They did just that, with twenty-two personal best performances. The girls also managed to break the school record in the 4x400 meter relay. Unfortunately, they were tagged with a loss, although it was a very close meet. Although they ended their dual meet season with a loss, the girls held their heads high, knowing they had given it everything they had. They look forward to continuing on into the larger meet season in top condition, ready to improve their already stellar times.

Lauren Spivack

"Our winter team this year was awesome. There was so much talent on the team which gave us the depth we needed to be successful."





Lauren Folan and Lauren Spivack take off in the 1000, Laura Cunningham and Jill Alves push the pace in the mile, The shotput girls pose for a snapshot, Emily Migre looks to the finish, Nicole Affanato sizes up the competition in the two mile, The distance girls lead the pack in the mile, Janelle Ferris races hard, Molly Lavery sprints ahead in the 300, Lauren Folan finishes strong in the 1000, and Haylee McHugh races to win the 4x4 relay.

"This was a really great year for our team. Everyone worked really hard and we had a lot of success. It was a lot of fun being with everyone on the team, and we carried that out onto the track. Our coaches were great and encouraged us to do our best. We were in the top of our very competitive league, and proved to be one of the best winter track teams Whitman-Hanson has had in a long time. I am really proud of our entire team, and happy to have been apart of it."

"It was certainly the best season we've had since 1997."

Whitman-Hanson boy's soccer officially ended at home on Saturday, November 5 as the varsity team suffered a tough loss to Durfee. The Panthers entered the game with a regular season record of 10-8 and the #15 seed. Durfee finished their regular season with a record of 7-7-5 and took the #18 seed. The final score was 2-1 and all of the goals were scored in the first half.

Durfee jumped out to a quick lead early with a goal, but Whitman-Hanson responded soon with a goal of their own from Mike Ford. After that, play settled down for a while as both teams struggled to get a few good offensive chances.

Defense proved to be crucial for both teams, especially in such a low scoring game. W-H defenders including Mike Ford, Phil Mainini, James Peterson, Cody Silva, Jake McSweeney, Kevin Cordaro, and Corey Vancura held up in their own half of the field, but near the end of the first half, one defensive lapse changed everything. Durfee put a quick goal in the back of the net and shifted the momentum for the rest of the first half.

The Panthers came out ready to play in the second half and started out very strong. The team was constantly crossing the ball from the corners and got many chances in front of the net. Unfortunately, the Durfee goalkeeper held strong and didn't let anything by. The second half came and went with not a goal being scored and Durfee moving on in the tournament. Coach Barrington said, "It was very disappointing . . . we came out scared and tentative in the first half . . . it was very disappointing for all the seniors for the season to end."

All that aside, the Whitman-Hanson boy's varsity soccer team accomplished something that the boy's team has not done in many, many years . . . made the state tournament. Coach Barrington said, "It was certainly the best season we've had since 1997." Congratulations on a great season and we can only look forward to what the team will do next year.

Girls Soccer Wins ACL Championship

Girls varsity soccer has performed wonderfully this year. The girls have taken the title of ACL Champions for the second time in four years. Head coach David Floeck, also an assistant principal here at W.H, along with captains Emily Keeman and Amanda Howland, have done a great job leading the team this year. Their great leadership skills helped the team earn a 16-4-1 record and a spot in the state tournament. They finished 2-1 in the tournament, falling to a great Braintree team. However, the team was not discouraged about the loss, but rather that their fantastic season, including all the times they shared, had come to an end.

When asked if he thought anyone really stood out this year, Floeck came back to how it was a team effort, singling out a few people just would not be right. Without one teammate, winning would be impossible. He thought that whenever they were faced with a challenge, they rose to it at their highest potential. The girls came ready to play at 110% every day, and that is the reason they have been so successful this season.

Boys' Cross Country sprints their way to sixth in the state

This years boys cross country team looked to have a promising season as three of its top runners from previous years were returning. Led by senior captains Eric Ashe, Caleb Fall, and Pat Moran, you could see a successful season right from day one. With help from Juniors Mike McDermott and Bill Taft, their top five proved to be unbeatable, even in pre--season match ups.

They started off strong with a convincing win over league rival Sandwich, winning 21-38. In the next few meets, underclassmen Peter and Kevin Gilmore, along with freshman Pat Egan really stepped it up and made appearances in the Panther's top seven. Despite all their hardwork and effort, the boys suffered two non-league losses at the hands of soon to be state champs, Brockton, and a very strong Xaverian team. The boys came back continuing their dominance within the ACL, winning their next five meets with ease. With their 7-0 league record, the Panthers were crowned league champions.

The boys did not stop their win streak there, as they came home with first place finishes at the Hockomock Invitational, as well as their own ACL league meet. They also came through in the clutch to edge out some tough competition and take second place at Eastern Mass. A week later, they finished sixth overall in the state, beating Xaverian, who had previously beaten them. Captain Eric Ashe ran his way into eighth place overall, a very impressive accomplishment. Overall, the Panther's 2005 campaign was one to be very proud of, and surely one that will be remembered for a long time to come.

Coach Black

"These athletes work hard in practice! They really want to be the best team possible. They are not afraid of putting in the miles, hills or speed workouts in order to prepare for competition."

The Boy's Cross Country team was undefeated in league competition. They claimed seven out of fifteen league all-star positions, as well as two out of three honorable mentions. The boys had solid performances, which led to their victory at the Hockomock Invitational and their strong, third place finish at CMI. They went on to finish second in Eastern Mass. and sixth overall in the state.

Girls' Track finished ACL Runners Up

The girls' Cross-Country team didn't know what to expect at the start of the season after graduating two key varsity runners. The 25-second top-five pack that was established in the first meet against Nauset was an indicator of the success that would be enjoyed the rest of the season. Led by captains Kerry Arouca, Stephanie Crisp, Ashley Frost and Kelly Johnston, the thirty-one member team, the largest in recent Whitman-Hanson history, raced their way to second place in the Atlantic Coast League, acheiving victory against every challenger with the exception of Dennis-Yarmouth, the third-fastest team in the state. Sophomores Nicole Affannato and Laura Cunnigham, senior Kerry Arouca, and freshman Yvonne Fall, all earned League All-Stars; senior Stephanie Crisp was awarded the League Sportsmanship Award.

In the invitational meets, the Panthers continued their impressive season. At Catholic Memorial Invitational the girls finished an impressive seventh overall as a team, racing through downpours and mud to earn four medals for runners finishing in the top fifty.

South Shore Principles yeilded similar success, with Sophomores Affannato and Cunningham winning top-thirty medals.

Though State Coaches Invitational was on a new course, Whitman-Hanson was again extremely successful, with the team finishing a close second place in the sophomore race, promising great things for the future. Eastern Mass, the final race of the season, held in Franklin Park, was a satisfying ending to a great season. However, some of the best team moments of the year; such as: sophomore Katelyn Arouca battling through illness to an impressive finish at South Shore Principles; freshman Erin Quadros and sophomore Jill Alves having break-through races late in the season; and four-year veterans Arouca, Crisp, and Frost finishing their cross-country careers successfully, were not just due to victories, but to hard work and team spirit, which is, in the end, what made the girls Cross-Country season such a memorable one.

What's most enjoyable is the camraderie, not just placing well. It was an awesome team to be a part of."

Captain: Kerry Arouca

"I really enjoyed being apart of the girls cross country team all four years of high school. I met a lot of friends and had many good times and laughs. Even though the workouts are often hard, the fun times with the girls and boys outweigh them. This year was very successful for us. We have been training really hard and hope to make it to states. I will truly miss being apart of Cross Country. Good luck in the future, Panthers."

Girls Varsity Volleyball Win the ACL Sportsmanship Award

Perseverance- that is something this team has a lot of, although their record may not show it. The girls suffered many tough losses, but never gave up. Captains Nichole Donofrio, Suzanne Bernier, and Aly Brain led their team to three victories throughout the season. More importantly, these three young women conducted their team to be very respectful of their opponents, the officials, and the facilities. Proof of this great conduct came in the team's winning of the ACL Sportsmanship Award, something our athletic department is very proud of these girls for. The girls played hard to the very last whistle of every game. With all the girls positive attitudes going into each game, the girls were successful in achieving the sportsmanship award.

Golf Team is Back, Ready for Action

Before we knew it, after being cut last year as one of the fall season sports available here at Whitman- Hanson, the varsity golf team had re-defined itself and was back on the green. Now coached by Whitman Police Sergent Scott Benton, the golf team had a fighting chance to reclaim their right to play and their recognition as a team.

The Whitman-Hanson boys' varsity golf team had an overall interesting year. They weren't the best golf team in the state, but they had fun while playing. Even though, the team only won six matches all season, they still kept their heads high. By practicing hard, the team improved their golf game throughout the course of the year and made the best out of the season.

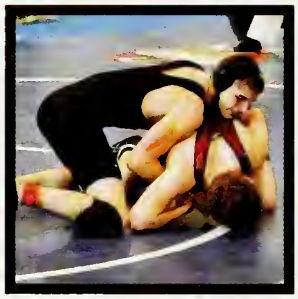
Another Strong Season for the Red and Black

Inspired by captain Kevin O'dell's favorite quote, "Don't think, just wrestle," the team has done just that. In the team's most impressive league performance, against Nauset, they won twelve out of thirteen matches, eleven of which were won by pins. The men have also posted great performances against state power-houses including Rockland. However, their most impressive showing so far has been at a weekend tournament held in Marshfield. They were in third place going into the final day of the tournament, but were edged out towards the end of the day to finish fourth overall.

The coaches and captains, Mike Sharp, Kevin O'dell, and Steve Pappalardo all agreed that fourth out of twenty-eight great teams was a great accomplishment and something to be very proud of.

Steve Pappalardo



"I'm very proud of the team and this year has been the best season in my entire four years of wrestling at WhitmanHanson."

The team also hosted a Saturday Tournament consisting of larger, non-league opponents. They placed sixth overall and were slightly disappointed with the outcome. However, since then they have bounced back and are currently ranked tenth in all of division two. There is still a strong possibility of bringing home another ACL title if they finish off the season strong.

Boys' Hockey Wins ACL Championship

The Panther Ice-Hockey team had a very successful season in 05-06 with a record of 9-1 overall, and a 5-1 record in the ACL halfway through the year. After just one more win, they were officially in the tournament with a 10-1 record overall. Their hard work and dedication led them to many victories. The season started off on the right track with the Panthers coming through with a 7-2 win over Plymouth North.

They continued to succeed and became better as the season went on. Goalie TJ DiCicco was incredible, with five shutouts after the first twelve games. Over Christmas break, the team played great and won the Cashman Tournament by beating Hanover 2-0 in the final game.

With the hard work of the defensive line, led by Assistant Captain Sean Hickey, there was no stopping the Panthers. The 1st line was led by Captain Tom Coulstring and Assistant Captain Jeff Croak, and scored at least one goal in every game. On January 7, against Plymouth South, Croak put in four goals with two assists from line mate Tom Coulstring.

On January 14, Tom Coulstring had one of his best games of the season. He scored two goals and had an assist and got the first Star award for the game. The team beat Sandwich 4-2.

On January 16, head coach Rich Manning got what he called his "most gratifying win" since coming to W.H. Whitman-Hanson was missing seven varsity forwards, all seniors and juniors, while facing Division 1 team, Bridgewater Raynham. Six JV players were called up and worked hard to get the 3-0 win. Assistant captain Sean Hickey, the only captain playing in the game, scored two goals in the win.

The entire team worked hard on and off the bench, and it showed in their amazing record and with the improvements they made in each game.

The team is starting to believe in that.

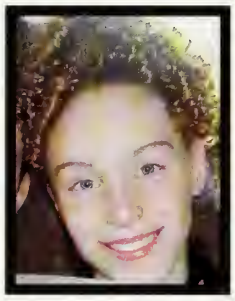
Reviewing the Routine

Cheerleaders Place 3rd in State Competition

Practicing three to five days a week, plus cheering at games, the Whitman- Hanson cheerleading squad has had a great last two seasons in the 2005/2006 school year. The twenty girl squad is led by coaches Tiff Manhart and Lisa Berry, two dedicated coaches with many years of experience. With hours upon hours of hard work, they have helped the cheerleaders achieve their goals. Aside from all their regular activities, the girls are also privileged enough to cheer at the Shriner's game for Shriner's Hospital. Winning South Regionals and placing 3rd at states, the girls have been successful with their undying determination and out going attitudes, "I am more than satisfied with this year and I'm extremely proud of how our team has pulled together" says Captain Kate Cibotti. The team is planning on attending states again in March and is also hosting small scale competitions while competing in leagues. Good luck and keep on cheering girls!

Kate Cibotti



"I've really enjoyed cheering for WH and will miss all the girls and all the great times we've shared."

Realizing Goals
Special Olympics

The Special Olympics is a year-round commitment.

Conditioning begins early in September and athletes compete in various athletic events through late June.

At the state and regional level, competitions include floor hockey, bowling, and track and field.

The Winter and Summer Games each entail a three-day trip that the athletes look forward to as a social, as well as athletic event.

The Summer games afford an opportunity for the athletes to enjoy some of Boston's tourist attractions, such as touring Fenway Park or traveling through the city on one of the Duck Boats.

Our athletes always try their best, but win or lose, they never fail to have fun!

Dance Team

Starting off the year with a brand new team was challenging, but we still practiced hard to have a great experience. All of our hard work helped bond our team and made lasting memories. Thanks to our new coaches and choreographer for an excellent routine! And thanks girls for such a great year, good luck next season!

"We had a very young team this year, we lost a lot of good dancers last year. However, we worked hard and I was proud to bring this team to competition."

Overall, the Whitman-Hanson Dance Team had a successful year. The team, lead by coaches Kelli Sances and Andrea Flipp worked hard and dedicated their free time to helping their team. The girls met three times a week to put a dance together for competitions and a performance in front of the whole school at the rally. Katie Sances, a dance major graduated from Dean College, and owner of the studio The Dance Factory, helped work with the team to create a hip hop dance filled with stylish technique and sleek, creative movements. Despite their hard work and dedication, the team came up short in competition when performing at the Reggie Louis Center in Boston on November 5, 2005. The girls competed against six towns such as Braintree, Weymouth, and Worchester, with Braintree dancing up a storm to take first place. Whitman-Hanson came out with the lowest score, accepting 6th place with their heads still head high.

This last place finish didn't keep them from having a great performance at the rally. The team came on strong blowing everyone away. The students, as well as the faculty, were very into the dance and seemed to enjoy it almost as much as the dancers themselves. The girls pranced back to their seats at the rally with a smile on their face, receiving much applause along the way. he Whitman-Hanson Dance Team had a fun year together and hopes to continue dancing and bringing some much needed spirit to the school.

This Child in My House

This child in my house,
That I don't even know
This child in my house
I'll learn to help grow

This child in my house,
That I already miss
I'll cherish each hug, each smile, each kiss.
The days will go on and I'll always remember
The magic you've brought me
And the love I will send her.
I only wish that when I'm done
You're healthy, You're happy, my beautiful one.

I hope you will learn
And to not take for granted
The ones that you love
And your time on this planet
When did it happen?
From wanting to truth
To witness the miracles of your splendid youth.
The days will go on
And I'll learn the plan
To make you, your own woman
And you your own man.

This child in my house
That now I know well
This child in my house
It's time for farewell
This child in my house we've learned to help grow
This child in my house
We'll learn to let go.

So kiss your sweet face
And sweep your fine hair
And not hope that you will remember me there

Just moments we made
In the time that we spent
Loving each other and all that it has meant,
Having a child in my house.

The student yearbook staff and adviser, Mrs. Lisa Shea produced the 2005-2006 yearbook of the Whitman-Hanson Regional High School. This year's book was sold for $55-$85, depending on when it was ordered. There wre 450 copies ordered. The book consists of 240 full-color pages. Programs used to create the yearbook include Adobe InDesign CS2, and Adobe Photoshop. Four Dell PCs with Windows XP were used to layout the book. Undergraduate photos were provided by McGrath Studios and Senior portraits were provided by LifeTouch, Inc. Most candid photos were digitally taken by students using Canon, Nikon, Kodak, and personal digital cameras. Teachers Ms. Susan Moss and Mr. Kevin Black also provided photos. The book was printed by Jostens Printing and Publishing Division; the W-H/Jostens Consultant is Tara Anderson.

Questions and inquiries about this book may be directed to the yearbook staff: WHRHS, 600 Franklin Street, Whitman, MA 02382; 781-618-7450, yearbook@whrsd.org

This yearbook may not be reproduced by anyone without the consent of the 2005-2006 editors and adviser.
